

**BIOGRAPHY:**

KennaDee is singer-songwriter from Syracuse, NY. An Alabama native, she comes from a long line of musicians and at a very young age decidedly had similar goals and aspirations. She has been involved in various musical groups and ensembles and has been touring with a Syracuse band, The Measure, for the past 4 years. Today you can catch KennaDee performing solo as well as in different music projects with various musicians throughout the Central NY area.

TYPE OF MUSIC:

KennaDee's music incorporates elements of rock, folk, soul, country and pop...playing originals as well as popular covers.

GEAR:

All sound equipment and lighting are provided at every show, producing a good clean sound that her customers love. She is committed to prompt setup and removal of gear, a great sound, and a real need to entertain the audience at a high level.

MARKETING:

As an added benefit...she does her own marketing and works hard with her customers to heavily promote her shows in order to achieve the best outcome. She is a professional musician that takes pride in putting customers first by understanding the nature of their setting, the needs of the facility, and promoting the interests of the audience.

REVIEWS:

"Kennadee has played at our bar on several occasions and we can't wait to have her back. It has been a pleasure to know her and amazing to hear her music!"

-Charlene

"Went to the Village Tavern To see Kennadee . Glad I did !, Great act , she has fantastic voice control, great on stage presence! A must see ! Check it out, you will love it !!!!!"

-Ron

"Having Kennadee play for our vow renewal ceremony was absolutely fantastic...she was very personable and accommodating with the music she played. If you're looking for an acoustic solo person, she is the person and I know you won't be disappointed."
